The 7 a-side presentations of the Easter Cup medals for all participants will take place after each teams final match between pitches 5 & 6

Below is an extract from Preston M & L Easter Cup Booking Conditions which every team has signed agreeing to the following:

Playing Conditions

Games may be played on different surfaces including Grass, Synthetic Grass and Astroturf, therefore players should bring appropriate footwear i.e. football boots and trainers. However, if the pitches are deemed unplayable by the Preston Sports Arena Management, every effort will be made to reschedule games. In this unlikely event full fixtures will not be guaranteed and NO REFUNDS given.

Please Note: In extreme circumstances the 7 a-side grass pitches will be used for the 11 a-side competition resulting in the 7 a-side festival being moved onto astro turf pitches. 7 a-side teams should be aware these pitches are smaller than the normal grass 7 a-side pitches and are also enclosed; therefore the number of players on each side would be reduced accordingly. The Easter Cup Organising Committees decision on this matter is final.
