*Knappstein Lenswood Semillon 2000 13% vol.*

The wine shows typical cool climate Semillon traits, with citrus, white melon and hints of toastiness. The palate repeats these characters, and is complex and elegant with lingering flavours and a dry finish.

*Knappstein Lenswood Gewürztraminer 2003 13% vol.*

The wine is fragrant and fruity with aromas of rose-water, Muscat and lychee against a spicy background. The palate has great richness and fruit, rather than sugar, sweetness and has fine length and acidity.

*Chardonnay Gran Cuvée 2006, William Fèvre, Maipo Valley, Chile*

An outstanding dry wine made from the best grapes grown in high vineyards in the Andean foothills. The wine is very fresh and taken on added complexity after several months ageing in oak barrels. William Fèvre gave up his famous Chablis vineyards to concentrate on this old Chilean estate.

*Château Grand Jean Entre Deux Mers 2004/05 12% vol.*

A crisp, refreshing light Sauvignon and Semillon from a fine vineyard east of Bordeaux.

*Mâcon Villages 2006 Domaine Chenevrières 12.5%*

Wonderful creamy Mâcon, soft-textured and generous, but still with good balance and minerality

*Chablis Premier Cru Vaillons, William Fèvre, 2005 13% vol.*

An excellent example of dry chardonnay from the Vaillons area. Dry and crisp showing wonderfully clean fruit and length

*Pinot Grigio 2003/04 Guerrieri Rizzardi Estate, Veneto 12% vol.*

An aromatic wine with a soft, not overly dry palate. Excellent as an aperitif and with lighter dishes.

*Silvaner Spätlese Trocken 2006, Casteller Kirchberg, 14% vol.*

This vineyard has been owned by the same aristocratic family in Franken, Germany since 1258. The grapes are hand picked late on in the season to produce this dry Silvaner Spätlese wine. A lively, pleasant wine with lovely flavours of fruit, elegant and concentrated texture, long lasting and playful acidity. It is a stylish compliment to white meat and fish

*Chateau Musar 2000 12%vol.*

A blend of two indigenous grape varieties Obaideh and Merewah. Rich warm toasted honey flavours on the palate together with fragrant herbs result in a complex rich and mellow wine.

*Cloudy Bay Sauvignon Blanc 2006/7 13.5 %vol.*

The 2006 Cloudy Bay is like an exotic infusion of fresh ginger, sweet basil and lemon grass layered over ripe tropical and citrus fruits
